Parental Consent form for Digital Book Review

Dear ISP Primary School Parent,

I recently participated in an International Baccalaureate online course called **Web 2.0 in the Classroom**. I was introduced to many technologies on the internet that can safely be used to great advantage pedagogically.

You are receiving this parental consent form because your child has expressed interest in participating in the Digital Book Review Project. The goal of this project is to creatively share books students have read and persuade other students to read the book in question.

Students can write a script for an artistic or dramatic project to persuade other students to read a particular book they enjoyed or create a work of art inspired by a book they read. Each student's project will be filmed which involves filming (video) recording (audio) the student and/or their dramatic or artistic project. The end product will be put on a protected wiki site which means only the International Baccalaureate community and our Primary School staff, parents and students can see these videos.

I need your permission to put the video of your child on this protected wiki website. Please do not hesitate to contact me by email cwhitehouse@isparis.edu, mallo.cwhitehouse@isparis.edu, or call the main school number 01 42 24 43 40 if you have any questions.

Sincerely,

Carol Whitehouse
Primary Librarian
International School of Paris
